Mr Pashler,

The Government Oversight Committee will not be taking any formal action on your request until it receives notification of the outcome from the hearing in January. We understand that this hearing is with an Administrative Law Judge and the Committee does not want to take any actions that may interfere with that process.

If this information is incorrect, please let the Committee know. If the information is correct, please advise the Committee of the outcome of the hearing.

Please direct any communications for the Committee to Sam Leto or Doug Wulf at the Legislative Services Agency. Thank You.
